Name of Teacher				
Learning Area(s)				
Grade Level				
Learning Competency *What competency/ies) from the curriculum are we targeting?*				
Learning Objectives *What smaller knowledge, skills or tasks from the competency where learners work on, and what should they be able to show at the end of the session? What content or performance standards are applicable to the session?*				
Learning Resources *What learning resources will be helpful in reaching our objectives? What materials are available and inclusive?* *What modalities are accessible to everyone?*				

In case of emergency, what alternative resources maybe used?				
Self-Check *Here are some reminders as I plan my lesson. Was I able to do the following?*				
Pre-Lesson *What will I do to make my learners get ready for the lesson?*				
Learning Experience *What activities can I implement to meet the learning objectives?* *What can I do to:* *-make objectives clear for the learners?* *-guide learners before letting them try the task on their own?* *-check the state of the learners' well-being, understanding, and mastery over the lesson?* *-connect today's new concept to the past competencies?*				

-encourage collaboration among learners? *-invite learners to reflect on why this matter happens to them?* *-ensure inclusion for learners' varied abilities, learning styles and contexts?*	
Opportunities for integration *Are there spaces to meaningfully integrate?* ● *another learning area?* ● *a special topic?* ● *technology?*	
Formative Assessment *What task, activity or questions can I use to evaluate learning? What can we do together so that the learners can tell me what kind of support they need from me?*	
Extended learning opportunities *What experiences outside the classroom can I*	

suggest to learners to reinforce what they have learned? What experiences might make learners more curious engage in this lesson?				
Reflecting on my teaching practice				
Notes for myself and peers *Is there anything I need to change for tomorrow based on what happened? Is there something the learners are interested in learning?* *Are there something I would like to share my co-teachers, parents, school leaders about my classroom experience?*	Learning Session 1	Learning Session 2	Learning Session 3	Learning Session 4
Declaration of AI use *Cite how AI was used in the formulation of the lesson plan.*
